

Opportunistic Credit Investment Analyst – Associate/VP-level

We are presently advising an exciting credit fund in London on their ambitious 2025 hiring. This role is a key hire for the team in London, who are seeking a mid-level hire into the fund's credit investment team

Working within an impressive portfolio management and investment research team, the candidate will form part of the investment group and will be responsible for the following:

- Producing investment ideas across the capital structure - high yield, stressed/event-driven, distressed and special situations
- Supporting the senior portfolio management and investment professionals on investment execution and managing positions
- Undertaking fundamental analysis across bonds, loans, CDS, converts, claims, equities and other similar assets across all sectors
- Develop your own origination network and investment capabilities to become a standalone investment professional

This opportunity would suit a candidate who is able to demonstrate the above having developed their experience in one of the following backgrounds:

- Opportunistic Credit Investment (Public/Private), L/S Credit Investments, Private Credit/Capital Solutions, Desk Analysts (High Yield and/or Distressed)

The fund is therefore considering strong candidates at Senior Associate and VP-levels, however, both more junior/senior talent will also be considered.

This is a fantastic opportunity to join a growing and ambitious firm who are looking to build on their strong performance in 2024 and 2025.
